

## **Hubert Tuor Foundation fellowship - Open Internship Position in Innovation and Entrepreneurship @ swissnex Boston - 6 months (September 1 2018 to February 28 2019)**

### **About the fellowship:**

The Hubert Tuor Foundation (HTF) has launched its 242 Program (2day 4 2morrow), with the aim of supporting directly today's high potential young talents to make them become key players of tomorrow's world. Within its 242 program, HTF offers a fellowship to carry out an internship in innovation and entrepreneurship at swissnex Boston. HTF's philosophy is the one of sustainable philanthropy. By becoming a HTF fellow you agree, when your turn comes, to support the next 242 generation. Your support can take the form of coaching, exchanges or sponsorship. More information can be found at: <https://2day42morrow.ch/en/>

### **About the position:**

swissnex Boston offers an internship position for a period of 6 months in innovation and entrepreneurship. The successful candidate will work on a variety of swissnex Boston' programs such as for example the Innosuisse US Market entry camp and the Venture Leaders boot camp. This is an exciting and rewarding position and gives the successful candidate exposure to most of the stakeholders involved in technology venture creation and innovation. It's the opportunity to work in an international work environment, within an innovative and future oriented organization.

### **Responsibilities will be among others:**

- Support innovation project leader in projects rollout.
- Carry out market research, data mining, reporting, marketing and event planning.
- Implementing own project related to swissnex mission.
- Developing project whose subject meets the values and philosophy of the HTF
- Administrative and operational tasks

### **The ideal candidate will have:**

- A proactive attitude and open-minded personality
- An entrepreneurial mindset
- Technical background, ideally in Life Sciences (studies and/or professional)
- An excellent command of English and good-level of German and/or French and/or Italian
- Interest in living and working abroad (Boston)

### **Formal eligibility criteria:**

- Candidate studies in a university or university of applied sciences in Switzerland towards a Bachelor's or Master's degree and is requested to do an internship in order to obtain the degree, or
- The last university degree (Bachelor/Master) is not older than one year at the beginning of the internship.
- Candidate has not gained professional experience in the field of his/her studies.
- The total period of internships ("Hochschulpraktikum"/ "Stage académique", including the one at swissnex) within the Swiss confederation does not exceed 12 months.
- Candidate is a Swiss citizen or a non-swiss citizen with legal residency in Switzerland (C permit)

### **We offer:**

## Initiative of the State Secretariat for Education, Research and Innovation

- Hands on involvement in projects and tasks related to the mission of swissnex Boston
- International work environment
- USD 2'200.00 compensation (per month)
- Return flight Switzerland – Boston (for a maximum of 1'000 USD)
- Other benefits provided by HTF
- 4 weeks' vacation per year and Swiss and US Holidays

### **Application process:**

All applications will be received and reviewed by swissnex Boston. Shortlisted candidates will be asked to fill out a form to be received and reviewed by HTF. swissnex Boston will conduct the interviews. After decision and announcement, the final candidate will meet with the HTF.

### **Interested?**

If you are a Swiss citizen or foreign national with legal residency in Switzerland and your profile matches the above skill set, you can apply here:
